1. Question

What social justice issue do you wish to research? What is the scope of your research, in terms of local, state, regional or national?

2. National Context

Why is this important in America today? Is there a history behind the social injustice? How might your research appeal to a broad audience?

3. Methodology

How are you going to do research? (i.e. interviews, literature review, field study)

4. Initial Sources

What are some specific sources you have already explored or been introduced to that will be useful for this research project?

5. Expectations

What are you expecting to learn from this research?

6. Timeline

What is the timeline for completing the research project?

7. Additional Comments

Is there anything else that you didn't have space to say here?
